Hello Shenade,

Talking Tourism is Tourism Western Australia's e-newsletter detailing all the latest news, events, products and other information of interest to you in the WA tourism industry.

Applications open for scholarship and professional development awards

Applications are now open for professional development awards and a scholarship under the Aspire Program run by the Perth Convention Bureau (PCB). The Aspire Program includes the \$10,000 City of Perth Convention Scholarship, as well as nine \$5,000 Professional Development Awards presented to leading academics and professional staff at Perth's five universities. Each scholarship or award is designed to assist the recipient's personal and professional development, by either attending at a relevant international conference, or undertaking further study. Funds can be used by some to present formal bids for Perth to host upcoming international conferences or to attend overseas meetings to lobby support for future WA bids. The deadline for applications is March 30, 2012. Information sessions will be held at the Perth Convention and Exhibition Centre in February 2012.
